

Rainbow twizzer

Make this twizzer to find your own pot of gold.

You need

- ★ thick paper
- ★ pencil
- ★ felt-tip pens, paint or crayons
- ★ scissors
- ★ straw or old pencil
- ★ glue

Your Rainbow leader has a picture of the twizzer.

1 Copy the rainbow and the pot of gold onto the paper.

2 Colour them both. Then cut them out.

3 Cover the back of the rainbow with glue.

4 Put the straw on top. Stick the pot of gold piece on the top.

When it is dry, give it a twizz. Can you see the pot of gold? ★
