# Finance and Property Policy

[Download this page as a PDF](#)

Girlguiding UK's policies and related statements provide a structure in which guiding can take place safely, consistently and in accordance with legislation. Policies must be followed by Girlguiding UK's members and by recognised volunteers involved in delivering or supporting guiding. These policy statements are supported by further information and resources to ensure that our members put the policies into practice.

## Policy Statement

*Girlguiding UK is financed by its members, its supporters and its own resources, and it is the Association's duty to ensure these funds are accounted for and managed appropriately and in accordance with financial legislation. Guiding is a charity and as such adheres to the charity legislation for the country in which it is operating in all aspects of finance and property.*
