Fearless Fun 2019: Volunteering at the event

Thank you for taking the time to look at the volunteer pack for Fearless Fun 2019. This is a brand new event for Brownies and Guides, to give them a taste of a large scale event at one of our centres.

The event runs from Friday 20 September to Sunday 22 September; it is preferable for volunteers to arrive onsite during the morning on Friday so they are ready for participants arrival Friday evening.

For this event, you will not be allocated to a specific volunteer role for the duration of the event. Instead you will be allocated tasks throughout the event, that are likely to vary greatly. This should make the event more efficient and make your weekend more exciting. The only exception to this is for Activity Instructors, if you have the specific qualification required for that role and would like to put yourself forward, please detail this on your application form.

For all roles you will need to be efficient, hardworking and a good team member. Specific experience is not necessary, but enthusiasm is!

During the build phase, leading up to participants arriving, and the take-down phase once they've left, it is likely that you will be asked to help other teams, depending on the areas that need the most support. Please be prepared to muck in - this will enable us to get jobs done as quickly as possible.

This is a great opportunity to gain experience, to be part of a national Girlguiding event and to meet up with old friends as well as make new ones.

We look forward to receiving your applications.
