

Your limited edition badge booster from Rolls-Royce

Skilful Ranger

You've done it! Well done on completing Stage 6 Innovate skills builder!

You've developed and built new skills, but what else could you get from the Innovate activities?

The skills you've developed are exactly what future employers, internships and universities want to see.

Note to leader

This is an extra activity sheet for your girls to complete at home. We hope this inspires great innovators of the future!

Your challenge

Take some time to reflect and practise selling your skills for your future self.

What to do

- 1** What skills did you develop during the Innovate skills builder? How would these skills look if they were a person? They might have a head like a machine to show their creative thinking, or have a watch for an arm to show how time management is their strength. On a large sheet of paper, draw an outline of yourself. On here, create a colourful collage to show your new skillset.
- 2** When you're done, take a step back and look at your skilful Ranger. You have all of these skills too!
- 3** Now use the template on the reverse of this sheet to write a few 'I can...because...' statements that you could use for a future application form or CV. We've thought of a few key skills if you need a hand. How could you showcase your amazing skillset?
- 4** Once you're done, keep these safe ready for your future CV or application forms.

Working in partnership with

WE DISCOVER, WE GROW

Girlguiding

Use this template to write a few 'I can... because...' statements that could help when writing your CV or future application forms.

I can...

Because...

I can...

Because...

I can...

Because...

I can...

Because...

Top tips

Think of short, sharp sentences to sell yourself.

Below are some key skills if you need a hand:

Decision-making

Critical analysis

Leadership

Problem solving

Creativity

Team working

Evaluation
