WE DISCOVER, WE GROW

Girlguiding

# Welcome

## Thank you for your interest in joining our team.

This is a really exciting time to join Girlguiding. We have much to be proud of in our one hundred years of history, but we know that to remain vibrant and relevant to young people we must continually evolve.

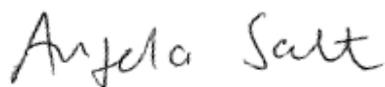

We have begun a process of significant change: transforming the organisation so it can meet the challenges of the future by putting young people at the heart of our organisation. We are on a mission to amplify the voices of girls and young women, so they can champion change in their own lives and the wider world; to build strong partnerships that can increase our reach and impact; and to increase the support we offer our amazing adult volunteers who deliver incredible experiences to young people across the UK every week.

The Girlguiding strategy is clear. We will deliver an unrivalled girl-led experience, provide rewarding and flexible volunteering opportunities and be an inclusive & impactful organisation. At the core of our strategy is that we work together as one team regardless of the role we have or where we are. We are looking for skilled, passionate people to help us enable even more girls and young women to fulfil their potential.

Girlguiding values the differences that a diverse workforce brings and is committed to inclusivity, and to employing and supporting a diverse workforce. Girlguiding is proud to be part of the Stonewall Diversity Champions programme, a member of the Business Disability Forum, and a member of Time to Change. While Girlguiding's young members may be women only, our staff team is mixed gender. We welcome applicants from all backgrounds.

I am proud and humbled to be chief executive of this great charity with our mission of supporting girls and young women to thrive and make a difference in our communities and across the world. I hope you feel inspired to apply to join us.

Warmest wishes,

Angela Salt OBE  
Chief Executive

# Girlguiding's Strategy

**Girlguiding exists to help girls and young women find their voice and build skills and confidence - inspiring them to discover the best in themselves and empower them to make a positive difference in their community.**

Between school, social media, friendships and relationships - there's a lot going on for girls today. Not to mention the future, the planet, education and what jobs might be around in few years' time.

**That's why Girlguiding is more important than ever.**

In 2018 and 2019, Girlguiding asked 50,000 members of our community - girls, volunteers, staff, parents and partners - to tell us what they wanted for our future. From this, we've made Girlguiding's Strategy.

It's created from a real picture of the challenges Girlguiding's facing, as well as its potential.

## Shared goals for Girlguiding

### **Let's create exceptional experiences for girls and young women**

We want to offer experiences so fun, accessible and empowering that they inspire more girls, young women and volunteers to join than ever before. So, we're going to keep putting girls at the centre of everything we do. Every decision we make, big or small, should be led by our girls and young women.

### **Let's develop a rewarding and flexible volunteer experience**

We want volunteering to be flexible so it's easier for people to give their time. So, we're going to create opportunities that fit around people's lives. This will give more people the opportunity to share their talents and deliver great guiding to reach more girls and young women.

### **Let's be more inclusive and make a bigger impact**

We want Girlguiding to have an even bigger impact and influence on local communities and across the UK. So we're going to find fresh and exciting ways to welcome new girls and volunteers to make sure our community develops to reflect the world around us. We're going to make more people better aware of Girlguiding by proudly telling the world about our amazing achievements and hero girls' voices.

### **And let's get the basics right**

The best way to do brilliant things, is by getting the basics right. We're going to build solid foundations, including: Strong structures and processes, empowering girls to lead the way, new ways of working.
