

A Safe Space Level 4: A Safe Space Level 1,2 and 3 Quiz

1. True or False: The volunteer code of conduct outlines behaviours that Girlguiding expects all volunteers to follow.
2. True or False: Safeguarding is the responsibility of all volunteers.
3. Who can help write a risk assessment?
4. True or false: You should dynamically risk assess all activities and environments in case circumstances change, and you're not covered by your standard written risk assessment.
5. In what situation would you complete a notification of accident or incident form?

<i>A: If a girl gets stung by a bee during a unit meeting activity</i>	<i>C: When a girl grazes her knee and needs a plaster</i>
<i>B: When a girl is homesick and crying during a residential and her parents/carers need to be called</i>	<i>D: When a girl needs an ambulance called for a broken arm during a unit activity</i>
6. How many adult volunteers do you need for a treasure hunt from a meeting place with 13 Guides, plus one young leader and one leader's child aged five?
7. True or False: If a girl in your unit has a panic attack during a meeting this would be counted as a medical incident, not a safeguarding incident.
8. True or False: If a girl discloses abuse that happened ten years ago, you don't need to report this.
9. Who can you report a Girlguiding safeguarding incident or concern to? Select all that apply.

<i>A: Commissioner</i>	<i>C: HQ Safeguarding team</i>
<i>B: Unit leader</i>	<i>D: Teacher</i>
10. True or False: You need permission from your commissioner to contact the HQ Safeguarding team.
11. If you're concerned about another volunteer's behaviour, what should you do?

<i>A: Speak to them directly and nothing else</i>	<i>B: Ignore it</i>
<i>C: Speak to them directly if you feel it's appropriate and report it to your unit leader or commissioner</i>	<i>D: Ask other volunteers for their advice</i>
12. What are the 5 key stages of supporting someone making a disclosure?
13. When making a safeguarding report what information do you need to include? You need to select all the correct answers to get this question correct.

<i>A: The names and membership numbers of those involved</i>	<i>C: Date and location of the incident</i>
<i>B: Your address</i>	<i>D: Why you think the incident happened</i>
14. True or False: The HQ Safeguarding team should be notified about any safeguarding concerns, allegations or disclosures.
15. True or False: When a disclosure is made it will be kept confidential in Girlguiding and not shared.
