

Programme learning and development timeline

March 18:

Full details about the new programme training resources that are being developed. This will include their names, summary of content, and how long they will take to deliver. Look out for this information in *Discover, grow* and Deborah Lodge's blog in mid-March.

April to June 18:

Draft versions of some of the trainer packs will be piloted across countries and regions. Thank you to those of you who have requested to be part of this pilot. You will receive information about this shortly.

June and July 18:

Girlguiding qualified trainers, who have signed up to be part of piloting webinars, will receive CIPD training ahead of delivering new programme training webinars (webinar launch date tbc).

July 18:

All programme renewal trainer packs will be available confidentially to Girlguiding qualified trainers, so that those who hold TQ Module 3 (Programme) can familiarise themselves with the resources. We are developing plans for further support for these trainers ahead of the reveal of the new programme and will communicate these plans once confirmed.

Once the new programme has been revealed:

Volunteers will be able to access the following opportunities for learning and development:

- Independent e-learning: which can be done at a time that suits volunteers
- Webinars: led by a Girlguiding qualified trainer, which volunteers sign up to and can attend from the comfort of their own homes.
- Local in-person training opportunities: as organised and scheduled by districts, divisions, counties, or countries/regions and delivered by Girlguiding qualified trainers holding TQ Module 3.

If you have any questions, please email us at ourjourney@girlguiding.org.uk
