Dear [first name surname] MP,

My name is... and I'm writing from [unit name] as part of UK Parliament Week to ask you what you're doing to keep girls safe.

I feel most safe when....

Unfortunately, many girls my age don't feel safe online, in school or in public...

Girlguiding is asking for better relationship education in schools, so everyone has a healthy understanding of the impact of misogyny and sexism. What will you do to support us in making sure that happens?

Yours sincerely,

[name, age]
